

Science Fair Project Check List

In order to get full credit for your science project, and for it to be judged in the science fair, the following items must be included:

- Project must include the Scientific Method (see original packet for details)
- Project must be presented in a display (no larger than 30" deep by 36" wide, no higher than 5'.)
- **DO NOT** include your name, grade, or picture on any of your project materials.
- Project must include your typed research paper. Resources must be cited on research paper.
- Project must include a journal with dated entries.

Projects that do not follow the above guidelines will be disqualified from the science fair.
